BATTLE OVER STREET RIGHT-OF-WAY IS TAKEN INTO COUNTY COURT

Smith Won't Sell So City Turns To Eminent Domain

Condemnation proceedings against property owned by H. H. Smith, 187 Irvington street, are underway today by the city.

Property in question is about 3/4 of an acre running from Brunswick street to Hillside Boulevard. The city wants the land to extend Brunswick street thru to the Boulevard.

At a meeting of the city council Monday night City Attorney Frank Blum was ordered by the council to start the proceedings. This action followed a refusal by Smith to accept the city's $5,022 offer for the land.

A complaint was filed Wednesday by the city in San Mateo County Superior Court.

While Smith could not be contacted, as he is out of town, his son said his father would contest the proceedings.

In a single spaced three page typewritten letter to the council Smith expressed his views on the city's purchase proposal.

"I regard the offer of $5,022 as absolutely ridiculous and it is not accepted," Smith said. "Such an offer could well be classified as a record of all time high in absurdity, farciality . . ."

The former Daly City mayor also asserted that the proposed road through his property would not only destroy 3/4 of an acre, but also would mean "the complete destruction of approximately four more acres."

Mayor Paul Green denied this today. He asserted that, if anything, the new road would increase the value of Smith's property.

Under present plans a large thoroughfare would be built to connect Brunswick with Hillside Boulevard. This would relieve traffic on Mission street, and prove an answer to the present congested bus situation on that street, Mayor Green said.

Only indirect mention was made in Smith's letter as to a motel he had planned to build on the old quarry site. Earlier this year the city refused Smith a building permit to construct a motel in that area. Later, 243 residents of the Hillside-Edgewood Terrace district protested the possible construction of the rest stop.

Other business of the council meeting Monday night consisted principally of calling for bids and appropriating $300 from the major city street fund. This money will be sent to the California Division of Highways for maintenance of traffic control signals at Junipero Serra Blvd. and School street.

Bids were called for on:

Improvement of Hillside boulevard from Bismark street to Price street. Bids on this project must be received by the city clerk before August 8.

Purchase of a trailer mounted air compressor and 80 pound pavement breaker. Bids must be in by August 22.

Drilling a water well on city property fronting on Junipero Serra Blvd. south of Westlake avenue. Bids on this job must be submitted before August 8. In connection with this, bids were also asked on welded steel pipe for the well job.

EAGLES' PICNIC BIG SUCCESS AS MANY WIN PRIZES

Hailed as a success today was the anual Colma-Vista Grande Eagles picnic held last Sunday.

Over 300 families, friends and relatives enjoyed the outing which saw "Old Sol" at his best. While everyone had a good time and many memories, those who took part in various contests had real prizes to take home.

Winners of races include: Billy Gameo, Joanne Nespola, Jackie Barons, Sandra Gonzales, in the age group under 9 years. In the distance throw June Griffen took the prize as the best woman softball tosser while Dell Fehl won the men's division.

Winners in the running race for boys and girls 9 to 12 years old were Dick Gonzales and Betty Lou Maltz respectively. Joe Jahnke won the "fat man's race," while Dolly Davison took first place in the race for ladies over 175 pounds.

In a soft drink contest, Mary Shark gurgled her way to first place, while in the pea eating contest Richard Gonzales tied with Sandra Gonzales and Jackie Hall.

Lloyd Selmi took the men's sack race while Bonnie Varan came in with a prize in the ladies' division.

Winners of the three-legged race were Joe Kaevinsky and Dell Fahl. Tiny Ballitto took two firsts, coming in a winner in the slipper tossing and egg tossing contests.

Merchants who donated prizes for the picnic include: Kirchhubels, McGraws Pharmacy, Bruce and Griffens, Warshawski's, Sordelli's, Relish Bakery, Shannon Hardware, Daly City Pool Parlor, Farmers Market, Peter Markovich and Lombardi's.

Other prizes were given by: Standard Case and Repair, Lloyd Selmi's Grocery, Midtown Liquors, Harry's Pastry, Nate Pearlman, Pete Conci, Cliff's Barber Shop, Daly City Coffee Shop, Central Creamery, Milo's Market,, Milo's Meats, Daly City Hardware, Hopman Electric, Daly City Cleaners, Bank Club, George's Grill, Frank's Service Station, James Donahue, Daly City Super Service, Colonial Gift Shop and Clint's Barber Shop.

COUNTY CIVIL SERVICE JOBS

For the convenience of those who may now be among the ranks of the unemployed, or are seeking better positions this listing is being printed.

The jobs herein are all with San Mateo County. Further information may be obtained from the civil service commission, Redwood City, or at City Hall, Daly City. All tests are held in Redwood City.

Job openings, salary, date of closing are:

Public assistant worker, grade II, $238 - $297, July 30.

Supervising personal property appraiser, $297 - $371, August 31.

Medical records librarian, $238 - $297, September 10.

Pantryman, $190 - $238, August 13.

STAMPING OUT 'HOPPER PLAGUE—Department of Agriculture planes are loaded up with poison bait in Yellowstone County, Montana, where hordes of locusts have invaded the plains. The bait consists of poisoned bran which is sprayed over the grasshopper-infested area.

Predictions Of Items On Monday Council Agenda

Gazing into the crystal ball, via the city clerk's office, here are some of the items on the city council's agenda for Monday, July 25.

Final payment will be made the Stonecrest Co. for the Edgewood Terrace water main. For paying the $6,898 bill slightly ahead of time, the city will receive a lot from the company.

The land consists of a lot in Edgewood Terrace, between East Vista and Garwood. According to Mayor Paul Green, the city will use the property for recreational purposes.

Councilmen will hear a recommendation by the civil service board of review that police officers receive nine holidays during the year.

Also submitted to the councilmen will be an eligibility list of men to fill any vacancy that may come up for a police patrolman's position or for a spot as maintenance man with the water department.

Mayor Green said there did not appear to be any immediate opening with the police department, but a man would soon be chosen for the water department.

Names on the police eligibility list include: Harry A. Kent, Jr.; Lester D. Bastedo and John Van Otten. Those on the water department list include: David R. Newman, Thomas N. Jones and Joseph Cahn.

Mayor Green said the city could pick any of these men to fill vacancies.

The council meets Monday night in the council chambers at 8 o'clock.

REZONING ISSUE TOSSED BACK TO PLANNING BOARD

Action by the county planning board may determine whether or not Golden State dairy builds a milk truck station adjacent to Daly City.

At a meeting of San Mateo county supervisors Tuesday, Thomas Callan appeared to protest a recent rezoning resolution adopted by the planning board. This resolution changed the site between Briggs and Clara streets, near Washington street, from a C-1 (retail, business) to a C-2 (general commercial) zone.

The change in zone would be a step forward towards allowing the dairy company to build a $60,000 milk truck station, but there is one provision that may endanger this move, Callan said.

Callan asserted the set-back restrictions of the rezoning (a set-back of 15 feet on Clara and 10 feet on Briggs) resolution might endanger possibility of leasing the site. He observed that these restrictions had not been asked of the Pacific Telephone and Telegraph Co.

Board members heard Callan's plea, and asked the planning commission to set a special meeting for reconsideration of Callan's rezoning application.

At this time no date has been set for the special meeting.

Community Chest Agencies Apply

Applications of various agencies for 1950 San Mateo county Community chest funds were read at a public hearing this week.

The hearings will continue for the next several weeks. At each meeting, various organizations present their budgets, and ask for funds.

Among the agencies whose representatives will be heard are: Burlingame, San Mateo, Hillsborough and Sequoia Girl Scout councils; the North County Girl Scout federation; the Boy Scouts; Peninsula and Sequoia branches of the Y.M.C.A., Children's Health home.

Other agencies to be heard include: Catholic Social service; Council of Social Agencies; San Mateo county blood bank; Children's Home society and Child Guidance Consultation service.

Members of the committee are: John D. Bromfield, chairman; George H. Atkinson, Charles S. Morris, Mrs. A. S. Kalenborn and James B. Howell.

STATTON IN JAPAN

Pfc. Robert Statton, son of Mr. and Mrs. Wifne A. Statton, 83 San Diego Ave., is now in Osaka, Japan. He is a member of the famed 25th Infantry division. Pfc. Statton only recently was sent to Japan for overseas duty with the army.

BURYING THE HATCHET—Taking their cue from the Atlantic Treaty, eight Indian nations from the Northwest have signed a friendship pact. Above, Cleveland Kamiakin, representing Yakima Indians now living on the Colville Reservation in Idaho, affixes his thumbprint to the treaty in Yakima, Wash., assisted by Ann George. The pact marks the first such alliance of Northwest Indians in history.

FAMILY SWIMMING PARTY -- S. F. BAY EXCURSION ON RECREATION PROGRAM

Attempting To Strike Ball, Boy Breaks Arm

Giving his all for Lincoln Playground, Wesley Yates, 12, broke his left arm while playing volley ball at the field Monday.

When he attempted to return a fast fired ball, the youth slipped and fell on his arm. The force of the fall broke his arm.

Wesley, who resides at 185 Acton street, was rushed to Junipero Serra hospital in a police car. After receiving treatment he was taken home.

Everybody in the family will be all wet at a family "Swimmaree" Saturday night, July 30.

At that time the recreation program officials have a swimming party scheduled for the whole family. It will be held at the Jefferson high school pool from 7:15 p. m. to 9:30 p. m.

While the event is principally planned for a swimming get-together, there will also be some special stunts and races.

Cruising down, around and up San Francisco Bay is another item on the recreation agenda for this Wednesday, July 27. A special cabin cruiser, with a seating capacity of 150 persons, has been chartered for the trip.

Cost of the cruise per person, adult or child, will be 35 cents. Tickets may be purchased at any of the playgrounds.

The one hour trip is especially designed to be both informative and interesting for both parents and children. A narrator will be on hand to point out all the various things of interest.

By way of reminder: tomorrow, July 22, 10:30 a. m. on the Jefferson high school football field is the big pet show. All types of animals may be entered in the contest, and any aged boy or girl may enter a pet.

Today and tomorrow members of the San Francisco Seals ball club will be at Jefferson high school to conduct a baseball school. The school runs from 9:30

(Continued on Page 6)

Vireno Comes 30 Inches From Ace

Andy Vireno, Daly City tavern owner, has a new bottle on the counter today—the flask he won Tuesday in the Examiner Hole In One golf tournament.

Taking up the five iron, Vireno drove a ball just 30 inches from a hole in one on the Lincoln park famed 175 yard eighth hole.

None of the 563 persons who followed Vireno could match his drive, so he also walked off with the daily award of a Ronson lighter. He will have an opportunity to try his luck again July 31 in the finals.

DALY CITY LANDLADY MURDERER DIES IN PRISON GAS CHAMBER

The door of the San Quentin gas chamber closed Thursday on a former Daly City resident.

He was William H. Sanford, 22, executed for the murder of a 55-year-old San Francisco landlady one year ago. Police later learned Sanford killed Mrs. Felippa Griffith hoping for enough money to purchase a gun to kill a girl who jilted him.

While a student at Daly City, Sanford won a scholarship at St. Peter's school. He was an honor student in Daly City.

CORRECTION

Through a misunderstanding, a wrong bid was quoted in last week's story on the Jefferson high school board meeting. The bid for Fellman Roofing Co., Daly City should have been $1,260 instead of $751. Fellman made this bid on two roofs, instead of the asked-for one roof on the Jefferson high school auditorium.

LOCAL GIRL TAKES TRAINING

Elizabeth Jane Kelly, seaman apprentice, WAVES, USN, daughter of Mr. and Mrs. M. J. Neecham, 6925 Mission street is now undergoing a course of instruction at Norfolk, Virginia. She is at the naval radioman's school in Norfolk.

CITY HAS MORE, BETTER LIGHTS

Throwing more light on Mission street between Knowles and San Jose avenue tonight are 17 new high lumen mercury lamps.

The lamps were installed last week by the Pacific Gas and Electric Co. Considerably more effective in brightening streets, the lights also are better able to penetrate fog.

Under present plans of the city, the lights will be installed on all Mission street intersections and on all main thoroughfares sometime in the near future. At the present time not enough of the lights are available for complete installation.

AFL ROOFERS CALL OFF PICKETS FROM WESTLAKE WORK

The AFL Roofers and Waterproofers Union, Local 40, temporarily halted picketing of the Daly City Westlake housing project today.

This action followed the filing Tuesday of a petition for injunction by the National Labor Relations board. The petition will be presented to Judge Herbert W. Erskine at 10 a. m. Monday, and at that time the union will have to show cause why an injunction to halt picketing should not be issued.

Home construction at the project came to a halt when the roofers protested carpenters doing roofing work. This consisted of putting composition shingles on some of the houses in the 900 acre tract.

This stopped all work on the 200 home Westlake-Henry Doelger project.

Following the removal of the picket lines today everyone was working but the roofers. No roofs will go on until the issue is settled, a Doelger representative said.

Claimed by its backers to be one of the largest projects in northern California, the Westlake project calls for the completion of 4,000 homes. They will be built on the land clearing between Alemany boulevard and the San Francisco Golf club.

Rules On Legion August Coaster Derby Announced

Rules for contestants planning to enter the Broadmoor Legion post "Coaster Derby" were out today.

Open to boys between 11 and 15 years of age, the derby will be run off August 28. Only ones barred are those who have won a similar city contest.

In the event a contestant is ill at the time of the race, he may appoint a substitute driver.

The contestant must design and build his own coaster. However, he may be advised by his father or friends.

General design of the car should be: four wheels with two axles, with a body similar to a racing car. Steering shall be by front wheels only. The contestant must drive the coaster from a sitting position. The cockpit shall be open on top. As the car is a coaster, any mechanism to aid in its starting or accelerating is prohibited.

The coaster shall not weigh more than 175 pounds and be no longer than 96 inches. No glass shall be used in any place.

Regulation wheels, axles and steering cable will be those supplied by members of the Broadmoor post or by merchant backeds.

Prizes for the winners will include savings bonds, trophies, sporting goods and other valuable items.

BUILDING PERMITS

Hammers and saws were busy in Daly City last week as four residents started improvements on their homes, and a contractor began work on a new house.

Those who received building permits last week include:

Lawrence Shaw, 3268 San Jose avenue, who invested $750 in a new flat roof for his dwelling.

C. E. LaBarr, 363 Rhine street, began a $492 job in altering the front of his home.

Mrs. J. Sheppard, 500 Vista Grande avenue, decided to remodel the inside of her home at a cost of $600.

Anthony S. Tapia, 76 Miriam street, needed a new garage so he began work on a $300 addition.

State Building Co., 6147 Mission was issued a permit for a $7,700 five room wood frame home.

MINOR STANDS BEFORE BAR, WANTS SERVICE, ENDS IN POLICE CAR

Maybe there's a law against it, but a local pub served a three-year-old boy last Tuesday.

The lad was Larry Olsen of 142 Peoria street. He wandered into the Veterans Inn, 6025 Mission street, and demanded service. When it wasn't immediately forthcoming, he commenced to yell loud and persistently.

Finally Bartender Gene Green gave in and waited on the minor. At this point the police entered the bistro.

No, Green wasn't put behind bars, but little lost Larry was taken home in a police car.

CONTEST NOW OPEN FOR SONG WRITERS

Would be lyric writers now have a chance to win valuable prizes in a new "Song Without Words" contest.

In order to enter the contest, song writers must purchase a Capitol record album. This contains six records of popular music. Missing are the lyrics.

The six persons who write the best "moon-June" combination for the songs will win $1,000 against future royalties.

Complete information, entry blanks, and the records may be obtained at the deLeon Music store, 6127 Mission street.

JEFFERSON PRIMARY DISTRICT TEACHERS TO GET WAGE BOOST

Teachers' salaries in the Jefferson elementary school district will be from $30 to $400 a year higher during 1949-50.

The wage boost was approved by the district board of trustees at a special meeting last Thursday night. Only other major piece of business at the meeting was the opening of several bids for various school improvements.

In increasing salaries the trustees changed the present wage schedule, based on position, to one based on experience. Now a teacher will be payed for her years of experience, rather than for the position she holds.

The increased salaries will not mean any more money out of the taxpayers' pockets, James Snell, superintendent of the district, said. He asserted the maximum tax rate, as allowed by law, is now in affect.

While the majority of teachers will get a wage raise, no teacher will receive a lower salary on the new schedule. The average raise will be about $166 a year.

Principals and supervisors will be placed on a wage schedule at the next highest level above the amount of salary received last year. This will go into effect regardless of years of prior service.

Under the new schedule teachers will begin their work at $2,700 a year and after 16 years may receive a maximum salary of $4,100 a year.

The motion to approve the new schedule was unanimously passed by the three trustees.

Bids for the painting of the Woodrow Wilson primary school were opened and the Eastbay Painting and Decorating Co. bid of $1,887 was accepted. Other bids on this job included Nate Pearlman, Daly City, $2,794; Beck Bros., $2,290; Charles Shoots, $2,960; Modern Painting, $2,590;

(Continued on Page 6)

MRS. JONES SEEKS $10,000 DAMAGES

A claim for $10,000 damages was filed against the city and county today by Mrs. Gertrude Jones, 64, 458 Templeton avenue.

The claim arose from a bus accident July 11 at 6:10 p. m. at the Mission street and Leibig bus stop.

Mrs. Jones allegedly sustained a sprained right hip and fractured left toe when the bus door assertedly closed on her foot throwing her to the pavement.

She further asserted that the bus continued to move after she was prone on the street. Bus driver James Penix, 50 Seville avenue, said at the time of the accident he stopped the bus when he heard the safety bell ring.

South S. F. Firm Faces $25,000 Damage Suit

A South San Francisco firm, Bay City Grill, 205 Grand avenue, faces a $25,000 damage suit today.

Shirley Price, a former waitress at the Grill, filed a complaint against the firm this week. Allegedly the waitress suffered third degree burns when she spilled hot gravy on her arm May 31.

Assertedly it was the negligence of the owners that contributed to the accident. Also the owners are being charged with allegedly failing to comply with laws of the workmen's compensation insurance.

Representing the plaintiff is the law firm of Fahey, Bocci and Gallen, 3 Wellington avenue, Daly City.

DALY CITY BOYS CLUB HAS FOOTBALL TICKETS

Here is an opportunity to help the Daly City Boys club and see one of the year's best football games.

Hopefuls for a spot on the San Francisco 49ers team will play against each other at Kezar Stadium, Sunday, August 7. Those who look the best in this intra-squad game will be chosen to be regular team members.

This should be an especially good game, as the boys will be fighting not only for the glory of getting on a nationally known team, but also for the bread and butter money involved.

Speaking of money, the Boys Club is now selling tickets for the game. While they must turn 50 per cent of the cash back to the team, they also get to keep one-half of everything they sell.

This money will be used to help some Daly City boy to better enjoy his summer, and in fact all the years of his youth. Most of the cash is used for new recreational facilities, for the baseball team, and for other helpful and interesting things.

But not only will there be a game August 7, but—in honor of all the Bay District boys clubs, a parade, "Youth On Parade" will be staged. Bands, drum corps, colors, floats and uniformed units will all take part in the big show.

Honor plaques will be given to the winners in classification groups which will be announced later by the committee of judges.

Tickets and further information on the game may be obtained by contacting the Boys Club at No. 2 Hillside Boulevard.

COOLING OFF PERIOD—Pandora, baby chimpanzee at the Philadelphia Zoo, sneers at the thermometer while attacking the summer heat on two fronts. When the mercury climbed, so did Pandora—right up on a cake of ice. The ice cream pop also helped her keep her mind off the heat.

SELF-RELIANCE—REMEMBER?

In these days when it has become so popular to look to Washington or some other level of government for financial assistance for almost everything, it is quite shocking to hear anyone speak of self-reliance.

But former President Hoover still clings to the "outmoded" belief that each individual should at least try to stand on his own feet. In a speech to the graduating class of the Ohio Wesleyan University he pointed out that while "security" may eliminate the risks in life it also "kills the joy that lies in competition, in individual adventure, new undertakings and new achievements."

He went on to observe that in the "new era" the forsaking of self-reliance for security has been carried to the point where thinkers "seem united in the notion that they have discovered real liberalism and that all previous eras are reactionary."

"Some tell us," said Mr. Hoover, "that in the new era, life is still a race but that everybody must come out even in the end. Another modernistic school adds to this that life still may be a race, but that each step must be dictated by some official or unofficial bureaucrat with stop-and-go signals."

To this we might add that no group of bureaucrats can really guarantee security to anyone and that there is no real security without self-reliance.

"RECORD" VOLUME

If records of the federal government keep on piling up at their present rate, the time may come when there won't be room in the country for anything else. It seems that almost every one of the endless number of government bureaus and departments accumulates an endless mass of files —some of which may be of value. Emphasizing the fantastic quantity of records which Uncle Sam now has on hand, the Cleveland Trust Company in its latest monthly Business Bulletin declares that if all these records were put in boxes measuring one foot high, one foot wide and two feet long they would extend 3,504 miles placed end to end. That would reach from New York to San Francisco and more than 300 miles out into the Pacific Ocean.

Maybe if the greater part of these records were taken 300 miles out into the Pacific Ocean and dumped (along with some of the Washington boys who insist upon bigger, better and more useless files)—maybe then something could be found in the remaining records without the aid of the G-Men.

NOT SO SMART

Lest we forget, it was just nine years ago on June 22 that Adolf Hitler made his greatest triumph — complete victory over France — and exactly one year later, made his greatest mistake — the attack on Russia.

In the light of what Winston Churchill has said in his memoirs, however, it appears that Hitler also made a mistake in knocking France completely out of the war. As Churchill points out, the collapse of the French left Britain free to concentrate on her own defenses. If France had remained in the battle the British would have been obligated to help as best they could.

As to the attack on Russia, that seemed a pretty obvious error almost from the start despite the early Nazi successes. Although Hitler conquered plenty of territory he was himself being conquered by the huge loss of men and machines which did much to sap the power of the Nazi juggernaut.

Thus Hitler proved once again that military "master minds" usually do more to defeat themselves than to help themselves. "Uncle" Joe Stalin might take note of that fact.

FANCY STUFF

It's all somewhat confusing to most of us trying to follow the charges and denials involved in Senator Hickenlooper's claim that the Atomic Energy Commission is guilty of "incredible mismanagement" in the handling of its affairs. But the situation was made a bit clearer when the senator pointed out that the A.E.C. budget called for an expenditure of $346,000 just to build 3,600 slabs for garbage cans at the Oak Ridge plant homes.

It still didn't seem very cheap even after the acting manager at Oak Ridge explained that he had done the job for only $118,000 by building smaller slabs and that the cost included a little fence around each slab (apparently to keep things looking artistic).

Hickenlooper emphasized that the average cost was still $33 per slab plus trimmings and that he (and a lot of the rest of us) felt it was too much. Incidentally, we wonder what was done with the $228,000 "saved" in the garbage can slab deal?

Local Men Take SSOA Positions

New officers of the northern California Service Station Operators' Association now include Daly City men as president and treasurer respectively.

Joseph Lewkowitz, 501 Vista Grande Ave., was elected to the president's chair at a meeting of members in San Mateo Thursday night. New secretary of the group is Paul Marchi, 201 Templeton Ave.

Other officers named include: Melvin Quelland, Burlingame, vice president and William Poore, South San Francisco, secretary.

Another Daly City man, Magnus Hammar, was elected permanent delegate to the state association.

Named directors include: Stanley Machado, San Mateo, Glenn McCaffrey, Burlingame. Selected to represent the group at the statewide convention were Dean Privette, Millbrae, and Machado.

Merchants Score Win Over Huddle

Double trouble was brewed for Barni's Huddle baseball team last Sunday by the Junipero Serra Merchants.

When the game was over the Merchants had a neat double score win over the Huddle boys of 10 to 5. Much of the heavy stick work for the Merchants was the factor in the multiple score.

Although the Huddle team went into a one run lead in the first inning, they were never able to catch up after the third inning, Neil Pezzola went to bat five times and each time managed to reach base safely. George Bournellis went out but once during his five times he handled the bat, while Sick got three hits out of five times at bat.

The Box Score:

BARNI'S HUDDLE 6	ab	r	h
Dozdevich, c	3	1	1
Staatford, cf	4	1	2
Ragghinti, 2b	5	0	0
Effismo, 3b	4	0	1
Spina, 3b	3	2	2
Mini, lf	5	0	0
Poppin, ss	5	1	3
Pantchard, p	5	0	1
Bernardini, rf			
Totals	38	5	12

JUNIPERO SERRA	ab	r	h
G. Bernallis, cf	5	2	4
Botoli, 2b	5	1	2
Dalton, ss	5	2	2
Sick, lf	5	2	3
Bournellis, 3b	4	2	2
Pezzola, 1b	5	1	5
Krohn, c	4	0	1
Lucia, p	4	0	1
McGovern, rf	5	0	1
Totals	42	10	22

EVANGELIST SMITH GUEST SPEAKER AT ASSEMBLY CHURCH

Evangelist Lydia Smith will speak at the Daly City Assembly of God Church for one service this Sunday evening at 7:45 p.m.

Wife of an army chaplain in Germany Evangelist Smith has been a minister for 20 years. She plans to leave in the near future for Germany where she will work with her husband.

All are welcome to attend the service in the temporary location upstairs at 6276 Mission street. Pastor for both the morning worship, at 11 a. m., and the evening services is Melvin W. Steward.

TRIAL BY FIRE—A newly-developed gas tank for aircraft gets a blowtorch test by an aviation mechanic at Floyd Bennett Field in New York. Capable of withstanding direct flame and intense heat up to 2000 degrees Fahrenheit, the specially coated tank failed to burn after being exposed to the blowtorch flame for 23 minutes. A conventional gas tank burst into flames after less than two minutes.

New Arrivals

To the wife of Angelo F. Martinelli, 155 Wagner street, July 7, a daughter.

To the wife of William Christian Kleinheinz, 973 Hanover St., July 9, a daughter.

To the wife of William Chalmers, 150 Crocker Ave., July 10, a son.

To the wife of Louis Frank Moresco, 145 Moltke street, July 11, a daughter.

To the wife of George Joseph Calegari, 3268 Hillside Blvd., July 2, a son.

To the wife of Emil Francis Dionne, 162 Lowell street, June 3, a son.

To the wife of William P. Stuersel, 185 Sweetwood drive, Colma, July 12, a daughter.

To the wife of Raymond E. Shour, 217 Roosevelt Ave., July 13, a son.

BOYS CLUB TAKES ONE OUT OF TWO

Lady luck stayed with the Daly City Boys Club last Saturday to help them win a game, but pulled out on Sunday.

On Saturday the hustling nine took the Redwood City All Stars 9 to 4. Aldo Canepa pitched for the boys club, clouted a triple and was good for a home run. Oh yes, he also managed to hold the Redwood lads down to three hits.

Also appearing in the Saturday game was a newcomer, Gerard Lorenzo. He made his debut with two triples.

Then came gloomy Sunday when the club was beaten by the narrow score of 2 to 0 by the Daly City American Legion Post. Jim Hatchell did the pitching honors. However, he was up against bad odds, as there were three errors in the fourth inning, just enough to bring in the scoring runs.

John Spinetti, second baseman for the club, hit two for three. This brought his team leading average up to the .367 mark.

POT LUCK DINNER SLATED FRIDAY BY NAZARENE CHURCH

Members and friends of the "Two Dollar Parsonage Club" will meet Friday night, July 22, for a pot-luck dinner.

The dinner will be held in the recreation hall of the Grace Church of the Nazarene. Members of the club each pay a small monthly donation toward the payment of a parsonage recently purchased. The parsonage is at 498 Woodrow street.

Having had a good time on the treasure hunt that was held last month, the Young Peoples' Society of the Nazarne church have planned to have another hunt on Saturday, July 23. They will meet at 7:30 p. m. at the recreation hall.

Monday evening, July 18, a skating party was held in the hall for the high school class. A large group of teenagers attended the party.

Daly City Couple Married Sunday, Now On Honeymoon

In a double ring ceremony at Our Lady of Perpetual Help church last Sunday, two popular Daly City citizens were united in marriage.

Bride was Elisa Paradiso, daughter of Mrs. Elisa Paradiso, 439 Templeton Ave. The groom was Bob Rode, son of Mr. and Mrs. George Rode, 1066 Hanover street.

Carrying a bouquet of bouvardias and orchids, the bride wore a lace gown with finger-tip veil.

The matron of honor, Mrs. Doris Cominos, sister of the bride, wore a pink satin gown, with a hat of satin and a rose begonia bouquet.

Bridesmaids, Miss Betty Kelly, Mrs. Lee Stura and Miss Betty Jennings wore aqua satin with yellow begonias. The flower girl, Carol Stura, wore white chiffon.

Ringbearer for the ceremony was Richard Rider, while the best man was Joe Collins. Ushers included Walter Cavagnaro, Don Welsh and Tim Christen.

The groom's mother wore a navy dress with white accessories and carried a gold orchid corsage. The bride's mother's suit was of aqua with black accessories and a pink orchid.

Members of the San Francisco Seals appeared at the reception which was held at 337 Bellevue Ave. Nearly 300 guests heard the music of a three piece orchestra at the reception.

The couple went south for 10 days on their honeymoon, and when they return will take up residence at 439 Templeton Ave.

The bride is a graduate of Jefferson High school and is employed at the Squibb Co. The groom is a senior at the University of San Francisco and is employed by the Seals.

TWO DALY CITY TEAMS HOLD FIRST, SECOND SPOTS IN AMERICAN LEAGUE

Again last Sunday two of three Daly City ball clubs came up with wins.

Taking on Joe's Grocery the Colma Boys Junior club took their opponents by the score of 6 to 2. This gives the lads three wins to one loss for the year, and puts them in second place in the Class B American League.

In the Class A American League, the Daly City Blues came back after a loss the week before to take a game from Loop Bowl. The score was not available at this time. This makes the fourth game the Blues have won, keeping them in a tie with two other clubs for first place in the league.

After winning nine straight games, the Colma Boys Senior club finally lost one last week to Foster Lunch. The final score was 13 to 0.

Games this Sunday will see the Daly City Blues battling with the Grocery Clerks at Marchbanks field at 2 p.m. The Colma Junior Boys club will take on the Little Village Market at Jackson field at 2 p.m. And the senior club will try to start on the winning path again when they take on the Native Sons at Marchbanks field at noon.

HE'S LEARNING—The operation of an American tractor won't be a mystery to Hans Bachelor, left, when he returns to his native Switzerland. He's learning the intricacies of the machine from instructor Durward Hines at Neosho, Kan. Hans is one of five Swiss farm youths studying U. S. farm methods on a student exchange program.

William Jaques

Past master of the Crocker Lodge No. 454, F&AM, William A. Jaques, 122 Serrano Drive, died after an illness Saturday.

A native of England, Jaques came to Daly City in 1908. He took an active part in many public projects and was well known in the community. He was 67 years old at the time of his death.

Masonic funeral services were held at the W. C. Lasswell mortuary Monday afternoon. The Rev. William Harberts conducted the services. Internment followed at the Olivet Memorial cemetery.

Surviving Jaques are a son William and two grandchildren, Beverly and Jeffrey.

Try Combinations Of Fruits And Berries For Distinctive Flavor And Economy

By Frances Barton

ONE fruit is good, but several are better! At least that's the opinion of a number of good cooks who have tried combinations of fruits for jam and jelly making. Not only are these combinations satisfying for their distinctive and intriguing flavors, but they reduce the load on the food budget by allowing more of a less expensive fruit or berry to extend a smaller amount of a more expensive one. Simply use the fruits you prefer in any combination you choose like the tested recipe below.

Bottled or powdered fruit pectins do the trick. Using pectins, the homemaker need not bother at all about the jellying properties of her fruits. They take the guesswork out of jelly and jam making and prove their economy, too, by producing a greater yield of the finished product. Your family will be delighted with this one:

Currant and Gooseberry Jam

5 cups prepared fruit
7 cups sugar
1 box powdered fruit pectin

To prepare the fruit. Stem about 1 quart fully ripe currants and crush thoroughly. (If desired, sieve pulp to remove some of the seeds.) Crush thoroughly or grind about 1 quart fully ripe gooseberries. Combine fruits and measure 5 cups into a very large saucepan.

To make the jam. Measure sugar and set aside. Place saucepan holding fruit over high heat. Add powdered fruit pectin and stir until mixture comes to a hard boil. At once stir in sugar. Bring to a full rolling boil and boil hard 1 minute, stirring constantly. Remove from heat, skim, ladle quickly into glasses. Paraffin at once. Makes about 12 six-ounce glasses.

M. M. Petterson

A native of Finland, Mrs. Matilda M. Petterson, 165 Laura St., died at the age of 63 years last Thursday.

The survivors include Mrs. Petterson's husband Karl; two sons, Harold and Lester and a brother Fred Burman. There were two grandchildren.

Funeral services were held by the Rev. H. P. Schroeder at the W. C. Lasswell chapel Saturday. Internment followed at the Olivet Memorial Park.

Herman Lipert

Funeral services were held Tuesday at the W. C. Lasswell mortuary for Herman Lipert, 86, of 285 Los Olivos avenue, Daly City.

A retired machinist, Lipert was a native of Erie, Pennsylvania. He came to Daly City early in the 1900's.

Lipert died at the Franklin hospital in San Francisco from natural causes. Following the funeral inurnment took place at Olivet Memorial cemetery.

Lipert was the husband of the late Hilda Lipert. There are no living survivors.

WELCOME TO DALY CITY

New Families moving into Daly City recently include:

Ralph Patterson, 118 Brunswick.
J. McElroy, 996 Brunswick.
John B. Polley, 144 Knowles.
Edward Holdener, 480 Hanover.
E. I. Lolax, 344 Winchester.
M. J. Pistolesi, 342 Santa Barbara.
Edythe Fisher, 236 Wyandotte.
Donald R. Morton, 248 Wyandotte.
W. J. Rogers, 285 Citrus.
George D. Gibson, 5 Cliffside Drive.

Mrs. Ida Lowe

Mrs. Ida Pope Lowe, wife of Judge Clarence E. Lowe of Colma, died at her home, 209 F street, July 14.

Judge and Mrs. Lowe were married in Phillipsburg, Kansas, over a half century ago. They celebrated their golden wedding anniversary four years ago.

Mrs. Lowe was a native of Iowa. She and Judge Lowe came to Colma 20 years ago from Denver.

Surviving Mr. Lowe are her husband; two daughters, Mrs. Lloyd J. Woltzen and Mrs. Fred T. Shumate both of San Francisco; a brother, Col. Francis A. Pope, USA retired, Washington D. C. There are three grandchildren, Mrs. Eleanor Stone, Ponca City, Oklahoma, Mrs. Lloyd E Stone, Monterey and Mrs. Ronald J. Cameron Jr., Colma. There are also three great grandchildren.

Private funeral services were conducted at Olivet Memorial park, Saturday.

Williams Thompson

Funeral services will be held tomorrow night, July 22, 8 p. m., at the W. C. Lasswell mortuary for Williams (Tom) Thompson.

Thompson, 49, 246 Los Banos, died at St. Johns hospital Wednesday after a long illness. He had been a resident of Daly City for the past 23 years.

He was a member of the Colma Vista Grande Aerie No. 1848 FOE, and the Carmans' Union Division 1380, AFL.

Surviving Thompson are his widow, Mrs. Marie L. Thompson; two daughters, Mrs. Mildred Walton and Diane; two sons, Robert and Richard; three grandchildren, Mildred, John and Michael Walton and a nephew Ronald Specht.

Intenrment will take place at the Golden Gate National cemetery in San Bruno at 10:15 a. m. Saturday.

Hillcrest Druids Schedule Whist Party

Whist will be in order after the regular business meeting of the Hillcrest Circle No. 143 UAOD Monday night at 8 p. m.

The meeting and whist game will be held in the Masonic Temple, 17 Hillcrest. In charge of the game will be Dolly Brush, Hazel Kegle and Audrey Code.

THE JOHNSONS OF CHURCHVILLE

Just a typical American family, living in a typical American town:

Mr. Johnson had to climb the ladder of success the hard way—but he kept on climbing.

Mrs. Johnson smiled her way to happiness—smiling through weariness, smiling even through tears.

Marian's life seemed to blossom overnight from dolls to dates, and with the blossoming came a beauty that is more than skin deep.

And little "Chip," for all of the mischief in his merry eyes, shows promise of the same honest courage that folks admire in "the old block."

A certain church—one of the churches for which their town was named—has been mighty dear to the hearts of the Johnsons all these years. Their loyalty, their energy, their unselfish generosity have helped to make it "a fine church."

And that church, through the God-given truth it is teaching, has helped make the Johnsons "fine people."

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

	Book	Chapter	Verse
Sunday	Matthew	18	15-20
Monday	Ephesians	3	14-19
Tuesday	Philippians	2	1-11
Wednesday	Romans	14	4-13

Legion Auxiliary Has Last Meeting

Delegates from the 26th district to the 30th annual department of California American Legion Auxiliary were attending a convention at Long Beach today.

The district is in second place at the convention because of its high rating in membership for the state of California.

A discussion of this convention was held at the last business meeting for the fiscal year of the district last Tuesday at the American Legion hall in San Carlos. Mrs. Charles Berryessa, presiding officer, had all final reports given at that time.

Election of new district officers was held at the meeting. Officers elected were: Mrs. Roy Henderson, president; Mrs. August Hanson, first vice president; Mrs. Richard Evans, second vice president.

Mrs. Berryessa was nominated as a delegate to the national convention of the auxiliary to be held at Philadelphia in September. Mrs. Louis Chess was nominated as alternate.

Children should guard against sudden chilling during the summer polio epidemic season. Wet shoes and clothing should be removed at once and extra blankets and heavier clothing kept handy for sudden weather changes.

The sky's no limit

with the AIR FORCE

If you can qualify—if you can measure up to the exacting requirements of the Aviation Cadets and are selected—an interesting, exciting career as an officer and pilot (with many excellent opportunities for advancement) is in store for you.

You can get in on the ground floor of a career in aviation if you are between 20 and 26½ years old—either married or single—and have at least two years of college (or can pass an equivalent examination). Go to your nearest Air Force base or U. S. Army and U. S. Air Force Recruiting Office today. Learn how you may become a pilot and officer in the U. S. Air Force through the Aviation Cadet program. The same office also can give you all the facts about Air Force Officer Candidate School.

Talent Shows Let Youth Display Its Best

YOUTH TALENT SHOW
BOYS AND GIRLS CAN DO BIG THINGS AND COULD DO BIGGER IF ENCOURAGED- FOR THIS REASON YOUTH TALENT SHOWS ARE BEING SPONSORED ALL OVER THE COUNTRY
STARTING IN A SMALL WAY IN RECENT YEARS THE IDEA HAS SPREAD FROM COAST TO COAST- THE BIG CITIES NOW HAVE THEIR TALENT SHOWS
I'LL BET THIS IS THE BIGGEST ENTRY!

BY ROY L. WARREN

YOUTH talent shows throughout the country are showing that youngsters, with proper encouragement, can really do big things. Starting only in recent years in a small way, the idea has spread from coast to coast, to big cities and small towns.

Michigan has been a pioneer in the field of youth talent shows and the movement has spread throughout the country. Last year the Federated Publications in Michigan, sponsors along with various newspapers, received 1,000 inquiries from 22 states on the subject of Youth Talent Exhibits.

• • •

ONE show alone—the Battle Creek Show—drew 300 entrants and 1,200 exhibits. There were 75 winners to share approximately $500 in prizes and other awards. This year the Battle Creek show exceeded its former showing in every way. This show was sponsored by the Enquirer and News, the Battle Creek schools, the Health and Recreation Association, local radio stations, along with a number of civic and welfare groups of the city.

The success, created by interest of the exhibitors, was due to the fact that every entrant was encouraged to be proud of his work.

"We did not set our standards so high that only prodigies could enter," explained C. O. Brown of the Health and Recreation Association. "The object was to stimulate interest in wholesome, constructive leisure-time activities for young people."

The entries were judged in three classifications. The arts included painting and drawing, sculpture, photography, creative writing and original music. Crafts consisted of wood, metals, needlework, model making, miscellaneous crafts and classified collections. Science was made up of chemical displays or demonstrations, allied exact science exhibits prepared by the entrants.

• • •

IN holding the programs from year to year, the sponsors did not bar previous winners, but only winning exhibits which had been shown before. That meant that if a winner in last year's show wanted to compete again, he had to show something new.

Heading the list of other Youth Talent Shows this year is the giant nine-county exhibit held in April at San Francisco. This is said to be the largest undertaking of this kind up to date.

Interest runs high and future shows have been discussed in Denver, Boston, New York, Cleveland, Philadelphia, Pittsburgh, Rock Springs, Wyo., and possibly in several places in Missouri where the Missouri Daily Newspaper Advertising Managers Association has taken up an interest in the program.

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Board of Trustees of the Jefferson Elementary School District, 344 Santa Barbara Ave., Daly City, California at the Office of the Superintendent of Schools, until 8:00 p.m., Thursday, July 28, 1949 and will be opened and read aloud at the meeting of the Board of Trustees held at the time and place above stated for the furnishing of all labor, materials, services, transportation, etc., necessary to pave the grounds of the Thornton School, First and Castle Sts., Colma, California in accordance with plans, specifications and other contract documents now on file in the Office of the Superintendent of Schools of said School District, 344 Santa Barbara Ave., Daly City, San Mateo County, California where they can be examined.

Bidders are hereby further notified that pursuant to the Statutes of State of California, or local laws thereto applicable, it shall be mandatory upon the contractor to whom the contract is awarded, and upon any subcontractor under him, to pay not less than the general prevailing hourly wage rate per diem wages and rates for legal holiday and overtime work in the locality in which this work is to be performed for each craft or type of workman or mechanic needed to execute the contract awarded to the successful bidder, and all bidders are hereby further notified that they must ascertain from the proper authorities the said wage rates before submitting their bid. Bidders shall set forth in the bid the name and location of the mill, shop or office of each subcontractor who will perform work or labor or render service to the contractor in or about the construction of the work or improvement and the portion of the work which will be done by each sub-contractor.

Each bid shall be made out on a form to be obtained at the office of said Superintendent at the address hereinabove set forth; shall be accompanied by a certified or cashier's check or bid bond for not less than 10% of the amount of the bid and made payable to the order of the said Jefferson Elementary School District.

The above-mentioned check or bond shall be given as a guarantee that the bidder will enter into the contract if awarded to him and will be declared forfeited if the successful bidder refuses to enter into said contract after being requested to do so by the said Board of Trustees.

The Board of Trustees reserves the right to reject any or all bids or to waive any informality in a bid, or to award a contract on the basis of the proposal which serves the best interest of the School District.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

Dated at Daly City, California, the 23rd day of June, 1949.

NOTICE OF TRUSTEE'S SALE UNDER DEED OF TRUST

NOTICE IS HEREBY GIVEN that on Friday, the 29th day of July, 1949, at the hour of two o'clock P.M. of said day on the steps of the Middlefield Road entrance to the County Court House, in Redwood City, County of San Mateo, State of California, the undersigned, The San Francisco Corporation, a California corporation, as trustee, will sell at public auction to the highest bidder for cash in lawful money of the United States of America payable at the time of sale, the following described real property, situated in the County of San Mateo, State of California:

Lot 7 in Block 13, as designated on the map entitled "MAP OF SUBDIVISION NO. 1 OF SCHWERIN ADDITION, VISITACION VALLEY, PROPERTY OF SCHWERIN ESTATE REALTY CO. SAN MATEO COUNTY, CALIFORNIA", which map was filed in the office of the Recorder of the County of San Mateo, State of California on October 5, 1908 in Book 6 of Maps at page 42.

Said sale will be made to satisfy the obligations secured by, and pursuant to the power of sale conferred in and by a certain deed of trust executed by Richard Hexter and Rozalia Jeanne Hexter, his wife, as trustors, to E. T. Kruse and Parker S. Maddux, as trustees for the benefit and security of The San Francisco Bank, a corporation, as beneficiary, dated March 30, 1942, and recorded on April 3, 1942, in the office of the Recorder of the County of San Mateo, State of California, in Volume 1013 of Official Records at page 236, under which said deed of trust said The San Francisco Corporation has been duly and regularly substituted as trustee.

Notice of defaults in and breaches of said obligations and of the election of said beneficiary to cause said real property to be sold was recorded in the office of the Recorder of the said County of San Mateo, on February 9, 1949, in Volume 1622 of Official Records at page 70, under Recorder's Series No. 75669H, to which said record reference is hereby made.

This notice is given in compliance with a demand heretofore made on the undersigned trustee by said beneficiary.

BUS DRIVERS TAKE FIRST AID COURSE

First aid is another accomplishment San Mateo-Burlingame bus drivers can brag of today.

The drivers and garagemen just completed a first aid training course. The company's policy now is to require this training of all its drivers, Raymond A. Withers, manager, announced.

Each of the men spent two hours a night three nights a week for three weeks learning how to treat emergency cases and minor cuts and bruises.

Williams Back From Vacation

Home from a two weeks vacation, Grant Williams is serving up sweets at his Williams Candies store, 6694 Mission street, today.

Leaving here July 6, Mr. and Mrs. Williams and their two children, Art and Pat, drove to Salt Lake City. Here they visited with Mrs. Williams' mother and other relatives.

Coming back through Nevada, they stopped at many mining towns and former booming communities. Williams said he found no signs of candy stores in the ghost towns.

During the family's absence, Williams' mother, Mrs. Louise Williams was in charge of the candy store. She is an old hand at this business, as she and her son formerly ran another sweets shop in Daly City.

SOME SWIMMER—Emerging from New York Bay, Shirley May France manages to look fresh as the proverbial daisy after swimming 16 miles from the Battery to Coney Island. The 16-year-old schoolgirl is getting ready for her attempt to swim across the English Channel. If she makes it, Shirley will be the first American woman to do so since Gertrude Ederle performed the feat in 1926.

BUTANO FOREST FIGHT CONTINUES

Continuing their fight to acquire Butano Forest, the Forest Association met in San Francisco Tuesday.

Outcome of the meeting was a decision to persuade the state park commission to follow the wishes of the state legislature. The legislature called upon the commission to take a "liberal" view of the matching properties offered by San Mateo and Santa Clara counties.

This property consists of San Mateo's Memorial park and Santa Clara's Mount Madonna park — valued at $600,000. The forest is valued at $1,200,000.

A decision to ask the support of San Francisco and surrounding communities was also made. Last November a proposal for a $250,000 bond issue was put to San Francisco voters, but it lacked the necessary two-thirds majority.

The Forest Association again stressed the need of acquiring the forest. They asserted that present beach and park facilities in San Mateo county are inadequate, and some relief is needed at once.

Coast Guard Will Have Open House On Govt. Island

Ever had a desire to see what goes on with the Coast Guard at the Alameda Government Island installation?

If so, this announcement will be of special interest. On Sunday, July 31, as an opening event of Coast Guard week, the island will be open to the public.

Highlights of the day-long celebration at the Island, commencing at 10:30 a.m., will include conducted tours aboard two Coast Guard cutters.

Documentary films will be shown in the Island auditorium and there will be demonstrations of Coast Guard lifesaving activities. Flotillas from all parts of the Bay will tie up at the dock during the day and many of these private craft will be open for inspection.

An out-door luncheon will be served from 11 a. m. to 2 p. m.

Tickets may be obtained by calling YU 6-3111 or at the City of Paris department store in San Francisco.

The island may be reached via the new East 12th street and 18th Ave. overpass to Alameda. Also Harbor Tours is cooperating to provide low-cost water transportation from the city to the Island.

Polio Precautions

During hot summer months, a good health rule for children is to avoid over-fatigue caused by too active play or exercise, or irregular hours. This rule is particularly important in polio epidemic areas.

THE NATIONAL FOUNDATION FOR INFANTILE PARALYSIS

WAGE BOOST FOR TEACHERS

(Continued from Page 1)

Coastside Painters, $2,810; Caspari, $2,785; A. Quandt and Sons, $2,477; Dave Russ, $2,740; Allied Painters, $2,784; Russell Hinton Co., $2,169.

The low bid of the Hild Electric Co. of $1,700 for the installation of lighting fixtures at the Woodrow Wilson primary school, was accepted. Only other bidder on this job was Kennedy Electric Co. with $1,865.38.

The bid of Anthony Peterson and Sons of $9,223 for the installation of steel sash at the Thornton school was the only one submitted to the board. Michael Callan moved the bid be taken under advisement, and this was done.

Bids for the purchase of a 71-passenger transit type bus were opened and read. But none of the bids seemed to have the approval of the trustees, and on a move by Callan the trustees agreed to take them under advisement.

Those bidding on the bus included: Superior Bus and Ambulance Co., $8,343 (including tax); Supeiro Bus and Ambulance Co., $10,300; Gillig Bros. Motor Coaches, $10,991; Gillig Bros., $11,197 (on 78 passenger).

Other business of the meeting included:

Presentation of copies of the newly developed introductory booklet for orientation of new teachers to the district. Miss Marjorie Tobias was given much of the credit for preparing the booklet material.

Material on the curriculum for homemaking and the new homemaking classroom as prepared by Mrs. Mayo was presented.

Snell also reported on the progress being made on the summer building program. Chester MacPhee, president of the Lake Merced Golf and Country Club, addressed the board concerning the proposed purchase of 10 acres of the course for a school site.

Happy Birthdays!

Observing their birthdays next week are two mesdames of the press. They are Mrs. Alice Braumoeller, 433 Santa Barbara, and Mrs. Ray Calderon (Verna, that is), 158 Los Olivos Ave. Not only do these two ladies work in the same office, but they also will observe their birthdays on the same day, July 27.

Harry wishes them the best of everything, as well as good wishes to the following persons on their birthdays:

July 22: Louis A. Sandovac, 322 Woolsey street; Michael West, 478 Woodrow; Joyce Eserine, 669 Miller Ave.; Mary Faretts, 122 Moltke; A. Grampash, rt. 1, box 408; Mrs. Eva Taylor, 1019 Washington; Alice Settrini, box 356 Colma; Joseph A. Laner, 7217 Mission, and Katherine S. Toner, 7217 Mission.

July 24: Mrs. P. Maffis, 66 Mission; J. Dematter, 169 First Ave.

Swimming Party

(Continued from Page 1)

in the morning until noon, and is open to any would-be baseball star.

Activities at the playgrounds and craft centers included these events last week:

LINCOLN — The Class B baseball team played two games, winning one from Crocker 6 to 0 and losing the other to Marchbanks, 11 to 3.

Another ball, the ping pong variety, was swatted last week in a final tournament which saw Don Wilson finish as champion. Bud Rey, Rod Jennings and Bill Steff also came in the winners' circle. They will play Crocker sometime this week.

LITTLE JEFF — Crafts took the spotlight last week with many boys and girls painting plaster statues or doing spatter painting. The playground dramatics and rhythmics program is growing fast under the leadership of Audrey Farnay. This group meets every Tuesday and Thursday from 1 to 2:30 p.m.

JEFFERSON HIGH — Folk dancing will be held for adults each Friday night at 8 p.m. Also planned for the future is a badminton tournament. Events will consist of men's singles and women's singles and doubles. Interested persons should sign up at the playfield.

CROCKER SCHOOL — Representing Crocker in the coming ping pong tournament with Lincoln will be Ronny Quint, Charles Jason and William Niere. Other lads at the grounds are looking forward to the baseball school.

MARCHBANKS — Monday night Carl Gruemmwald, Jerry Cafarata played in a ping pong tournament. After the tournament movies were shown. A trip to Jefferson pool was enjoyed by Bobby, Danny, Kathy, Dave and Turpie as well as Heintsman, Ken Kleese and Directer Smith.

CRAFT CENTERS — The craft center at Parkview is having a large attendance for the children 5 to 8 years old. But the ages over that are not attending. Directors at the center hope some older children will take advantage of the craft training. Attendance is good at Peoria and plane modeling is coming along fine at Little Jeff.

In last week's track meet Jefferson high school came out with the highest cumulative score of 160 points. Second was Marchbanks with 130 and Little Jeff came in third with 104.

Top scorer in the class of boys 13 years and over was Spencer McDonald with 26½ points. Only ½ point behind was Jack Allain.

In the class of boys 11 to 12 years old Walter Huntsman finished in the win with Robert Rocchi and Herb Frost finishing second and third respectively.

John Sciutto, Joe Ordonez and Tommy Stone in that order, finished in the class of boys under 10 years old.

Girls also took part in the track meet, with Paulette Endress coming in first and Arlene Trapp and Dianne Endress finishing in the win in the class of 12 years old and over. For girls under 11 years, Margo Gorospe was first, Janice Toole, second and Nadine Baker, third.

Although not in the accumulative winners circle, Donald Espinonza gave one of the meet's best performances in the high jump. Espinoza went over the bar at five feet nine inches, but not in the usual manner. Instead of jumping he took a leap and dived over the pole.

Woodrow Wilson PTA History

(The following is the fifth in a series of articles acquainting the members and general public with the accomplishments of the Woodrow Wilson PTA since its organization in 1923).

1939-40

Mrs. Catherine Foreman presided over the unit this year with the following officers: Mrs. Lillian Thomey vice president; Mrs. Marain Stegeman, corresponding secretary and Mrs. Emma Sorg, treasurer.

An annual thrift sale was held to further student aid work. The selling of candy and hamburgers was added to the regular sale. Whist parties were held.

In December the Teachers' luncheon was held, and in February the annual Founder's Day program was held with Mrs. Pearl Jones presiding. Graduation parties were held at which time two scholarships were awarded to graduates. The award of merit was received this year by the unit.

The sewing club held monthly meetings. Life membership was awarded to Mrs. Catherine Foreman. Mrs. Lillian Thomey represented the Woodrow Wilson PTA at the CCPT convention.

1940-41

Mrs. Catherine Foreman was again elected president. Mother's study and debates on educational subjects were the paramount activities of the social gathering. The functions which constituted the means of raising finances for student aid included monthly whists, hamburger, thrift and food sales and luncheon whists held at the homes of various members.

Mrs. Thomey was chairman of the annual teachers' luncheon. The mothers assisted teachers on various study trips. In January the annual founders' day meeting was held at the high school with Jefferson and Crocker schools participating. The honor roll award was received for subscriptions to the California PTA magazine.

Mrs. Thomey gave a report on the CCPT convention held in Los Angeles at which she was a delegate. Mrs. Emma Sorg in charge of the money raising events was presented with the life membership.

Officers serving that term were the president; Mulia Peterson, vice president; Martha Linden, secretary and Margaret Maravalias, treasurer.

1941-42-43

A gain of 26 members was made this year. Two children were sent to scout camps. Two graduation parties were given with two scholarships being awarded. The annual teachers' luncheon was held with the Woodrow Wilson PTA being hostess.

The unit cooperated with the Daly City council in the giving of Halloween and Christmas parties for the children. Life membership was awarded to past president, Mrs. Grace Hill.

Luncheon whists, thrift and food sales were the money raising projects of the year. Founders' day and fathers' night were the two joint meetings held at the high school.

After the declaration of war, the Red Cross offered various courses to interested members. The Woodrow Wilson PTA sponsored nutrition and home nursing courses.

Officers serving that year were: Mrs. Ida Hanley, president; Mrs. Martha Linden, vice president; Mrs. Betty Tunstall, secretary and Mrs. Emma Sorg, treasurer.

Luncheon Scoops

by Wendy Warren

Today my luncheon companion was versatile John Grigg, who plays the part of Roger Elliot, the "Mystery Man" on Mutual's "House of Mystery." This time I was actually the guest, since I accepted his invitation to lunch at his home in Englewood, New Jersey. Right after my noontime broadcast of "Wendy Warren and the News," I left CBS for the wide-open Jersey spaces across the Hudson . . . a town full of trees can be mighty refreshing to us city dwellers.

Wendy Warren

John Griggs lives in a modest comfortable house with his charming wife (the former English actress Mary Newnham Davis) and robust 7-year-old son Timmy. The house contains many valuable, attractive antiques . . . and a small terror of a beagle named Skippy. The luncheon was, of course, delicious.

This man Griggs is such a mountain of energy that he has piled up a staggering record of accomplishments. Born in Evanston, Illinois, John went to school in nearby Glen Ellyn. At sixteen, he was, as he says, "transported" by a visit to the theater, and acting has been his life ever since. His upstairs study contains many pictures of his long and successful stage experience, which included fifteen Broadway plays and association with many famous thespians.

His first radio job was as a staff announcer and producer in Chicago, and since that time radio has gradually come to take up almost all of his acting time. He has appeared on nearly all the major comedy and dramatic programs for 15 years. He was the principal newscaster for the Voice of America during the war.

John Griggs is vice-president of the United States Rocket Society, an organization expressly formed to study and develop future possibilities of interplanetary travel, long before government scientists reported its actual practicality. But probably the most engrossing of his hobbies is his mania for collecting and showing antique silent films. Immediately after lunch, he led me down to the basement, where he has built a miniature theater ("My answer to television") for the edification of guests and Timmy's small friends.

The film he showed me was one starring John's special hero, the great John Barrymore. Every year he holds his annual "Barrymore Wake" at which a group gathers in a New York hotel to see some rare Barrymore films and reminisce about "The Great Profile".

It was a most pleasant visit, and I returned to the busy city greatly refreshed.

Marriage Licenses

Issued recently to:

Robert L. Carlson, 21, Colma and Dolores A. Boland, 18, Burlingame.

Michael Migliore, 25, Daly City and Lola Mangini, 20, South San Francisco.

Best Chance For Infants To Live In S. M. County

Infants have a better chance for life in San Mateo county than any county in California.

This was the conclusion of a report released this week by the bay area council. San Mateo's record of 172 infant deaths per 1000 births compares with the national average of 32.6.

The nine counties of the bay area have a rate of 29.5 per 1000, 20 per cent below the national average. The bay area rate is also the lowest in the nation, except for Nebraska and Oregon.

In releasing the results of the survey, the council said that 64,110 births were reported in the nine bay counties in 1947. If the national average prevailed, 384 more babies would have died than did.

Maintenance of efficient public and private hospitals and health departments, better standards of living and income account for the lower infant mortality rate, the council said.

TRAFFIC COURT

In a hurry to get somewhere, 53 motorists stopped long enough in Daly City last week to be issued speeding tickets.

The violators who paid $7.50 fines for speeding include: Mrs. Eleanor Amess, Franz J. Ambrustler, Santina F. Baldassini, Floyd Cline, Leonard G. Collins, Gordon H. Cunningham, Meredith Halsey, Ruby Humphrey, Leon Laramy, Marc Loew, Edvin S. Pashlegh, Lola M. Pelley, Evelyn Purdy, Elsie C. Richardson, Percy D. Vance and Richard A. Zatcoff.

Speedsters who pushed $5 across the traffic counter include: Charlote Anderson, Joseph Barrientos, Alfred Bertetta, Nat Dolne, Arthur Fallon, James Giberson, Harold S. Sholman, Philetus Stetler, Joseph S. Valenti, Morris Weinberg, Theodore White, Catherine Horan, James House, Beatrice Hunt, Muriel R. Kyle, William Morris, Eric Mortimer, Violet McClelle, Elizabeth McKay, William McLarsen, Byron Nishkian, Roy Patrick, Louis Pendleton, John Preston, William Romano, Edith Rothwell.

Other fines paid by motorists for speeding are: Emanuel Cohen, $15; Bernice Dean, $2.50; H. Steplones, $15; John E. Taverira, $10; Walter V. Yaggy, $10; Cecelia B. Neal, $10; Bernard Orovitz, $2.50; Fred G. Pfeifer, $2.50; Rodney Ryan, $2.50.

Although most officers had a case of "writers' cramp" at the end of the week they still had strength enough to issue tickets for running a red light and going through pedestrian zones. Wayne Belshaw and Rino Ceccato each paid $2.50 for going when the light was red.

George R. Reomell, Kathryn C. Clifford, Robert T. Edmundson, Henri Petitjean, Ray A. Schenone paid $5 respectively for entering a pedestrian crosswalk when occupied. Thelma McLoughlen was fined $2.50 on this same count.

IN THE CONTRACT — Peggy Castle, a newcomer to Hollywood, has no kicks coming about this picture. She recently signed a long-term contract which contains a special "cheesecake clause," requiring her to display her charms in publicity photos as well as on the screen. The measure was taken when glamorous movie queens began refusing to pose for publicity pictures after achieving stardom.

SOCIAL SECURITY FOR ALL WHO EARN WAGES, DESPITE SALARY SIZE

Regardless of income at the age of 65 years, everyone who has paid into social security is qualified for retirement insurance.

So said Charles H. Shreve, manager of the San Francisco office of the social security administration, today. However, he added in order to receive payment it is necessary for the worker to have been employed for a number of years as stipulated in the act.

Shreve stressed that wage earners who reach the age of 65, and the survivors of wage earners who die at any age, should contact the office at 159 Federal Office Building. He said that some have lost benefits because of their failure to contact the office.

Soldavini To Attend Buick "Special" Show

Local Buick dealer, John Soldavini of Belli Motor Co. will attend a preview of the new Buick "Special" model in San Francisco July 28.

Soldavini will represent the Belli Motor Co., 7400 Mission St. in Daly City. Some 100 dealers from the Bay Area will be present at the all-day session, which has been described as Buick's most important dealer convention since the war.

The "Special" is Buick's lowest priced model, and is reported to be completely redesigned. Talks and films will be presented to dealers on all phases of manufacturing, engineering, sales and merchandising.

NEVILLE MOTORS

7360 MISSION STREET JUniper 7-4813

AWARDED THE FASHION ACADEMY GOLD MEDAL AS THE "FASHION CAR OF THE YEAR"

This familiar sight was repeated 71,000 times last year

It was an all-time record . . . more than 71,000 new connections to P. G. and E. lines in one year—1948. Nearly 60,000 of them were new single-family dwelling units. That's more than the number of connections we made in the last two prewar years put together . . . a dramatic example of California's growth. In the 46 counties we serve, there are half again as many people as in 1940 . . . more than 1,500,000 new power users. It takes lots of horsepower to meet their requirements . . . and here's what we're doing to provide it:

Five new power generating plants have been brought on the line in the last thirteen months. Their combined capacity is almost 600,000 horsepower.

New power lines, built since the war to carry electricity where it's needed, would reach half-way around the earth at the equator . . . 12,000 miles.

We're rushing still more plants to meet California's future growth. By the end of 1951, we will have doubled our prewar generating capacity.

Work never stops on our power-building program

Chico-San Mateo Air Race Coming

"Contact" will be the byword at the third annual Chico-San Mateo air race scheduled for August 14.

More than 100 planes are expected to wing down the 190 mile course from Chico to San Mateo. Five trophies, and $300 in cash prizes will be awarded winners of the event.

The perpetual trophy will be presented to the winning school entry. Another trophy will be given the winning flying club.

Starting at Chico, the race will end at San Mateo. The Chico chamber of commerce has arranged for an air race fandango to be held at the airport Saturday night, August 13, to be followed by a civic celebration August 14.

During the race, jet fighters of the U. S. air force and P-51 fighters will patrol the course between Chico and San Mateo.

NAVY CALLS FOR ENLISTEES

Electronic field seamen are needed now by the navy.

A limited number of applicants for this position are now being selected. Those enlisting in the program will be assured, prior to enlistment, of going to a technical electronics school upon completion of recruit training.

Full information on the program may be obtained by phoning or visiting the navy recruiting station at Redwood City in the county courthouse.

WHAT'S GOING ON IN RECREATION?

Those who are wondering how to spend vacation days, long summer nights, or where to send the children will be especially interested in this calendar of summer recreation activities.

BASEBALL — Jefferson High school, 10 a.m. to noon, Tuesday and Thursday, all day Sunday; Marchbanks Park, Sunday, 10 a. m. to 2 p. m.

BASKETBALL — Castle Hall, 7339 Mission street, Monday and Wednesday, 7 to 9 p.m.; high school, Monday, Tuesday, Thursday, 7 to 9:30 p.m.

HANDICRAFT — Parkview Center, MWF, 10 a.m. to 4:30 p. m.; Jefferson elementary, MWF, 3-4:30 p.m.; Peoria TuTh, 10 a.m. to 4:30 p.m.

FOLK DANCING — Jefferson high school, TuTh, 1-2 p.m.; Bellevue Hall, 2nd 4th Th for 5th grade, 1:30-2:30 p.m.; for 6th, 7th grade, 1st 3rd Th, 1:30-2:30 p.m.; for 8th, 9th grade 2nd 4th Th, 7-8:30 p.m.; Bellevue Hall, F, 8-10 p.m. for intermediate adults. Jefferson high school, F, 7:30-9:30 p.m. for beginning adults.

BOXING — Jefferson high school, MF, 1:45-2:30 p.m.

TWEEN TEEN CLUB — Bellevue hall, M, 7-9 p.m.; Castle hall, Th, 7-9 p.m.

TEEN AGE CLUB — Castle hall, TuF, 7:30 p.m.

TUMBLING — Boys at Jefferson high school, MF, 1-1:45 p.m.; girls at Jefferson high school, Tu Th, 2-3 p. m.

TENNIS — Jefferson high school, MF, 2:30-3:30 p.m.

BADMINTON — Jefferson high school W, 7-9:30 p.m.; for tween teens, F, 7-9:30 p.m.

SWIMMING — Jefferson high school, all week from 2-4:20 p.m. and 7:30-9:30 p.m.; S, 2-4:30 p. m.; pool closed Sunday; women and girls W evening.

MOVIES — Jefferson high school, M, 9:30-11:30 a.m.; Bellevue hall, M, 2-4 p.m.

DRAMATICS, RHYTHMICS — Crocker, M, Tu, Th, S, 10 a.m. to noon; Jefferson elementary, TuTh, 1-2:30 p.m.; Marchbanks, TuTh, 3-4:30 p.m.

PLAYGROUNDS — Supervised Monday through Friday 9:30 to 5:30 and Saturdays 9:30 a.m. to 1 p.m. for general playground activities.

New Apt. House At San Mateo

San Mateo's largest and tallest building will be an apartment house.

The 11-story building is scheduled to go up sometime this month. It will be built by Michael J. Ryan at 126 Third Ave. At a cost of $828,000, some 115 small apartments will be constructed. Garages, one for every tenant, will come to $93,000.

Contractor is the Dinwiddie Construction Co., and architect is Angus McSweeney.

Built of reinforced concrete, the building will have units of two-bedroom, one bedroom and bachelor combinations. There will also be a rooftop recreational area.

Ryan, who will build the structure, also is owner of the San Mateo Sequoia apartments. The project has FHA approval and is being financed through the Irving Trust Co., New York.

Dr. Stutch Will Head Kenny Drive

Heading the Sister Elizabeth Kenny 1949 fund drive in San Mateo county this year is Dr. Reuben Stutch.

The announcement was made today for the appeal to provide northern California with the Sister Kenny facilities needed to treat infantile paralysis.

Dr. Stutch, an orthopedic surgeon in San Mateo county, will conduct the campaign from August 1 to August 31. Mrs. Lloyd Underwood will act as associate chairman.

Volunteer workers for the campaign will be needed. They are asked to contact Dr. Steuben at 718 No. El Camino Real, San Mateo.

Fair Appeals To Eye And Stomach

Foodstuffs and foreign exhibits are now of interest to officials of the Calfiornia state fair.

With the fair scheduled from September 1 through September 11 at Sacramento, an SOS has gone out for an enormous amount of foodstuffs.

Last year fair-goers chomped through 650,000 hot dogs and 700,000 hamburgers. They washed the food down with 1,500,000 bottles of beverages, thousands of gallons of coffee and 8,164 gallons of fresh orange juice.

While some officials are worrying about food, others are concerned with exhibits to be shown from Norway, France, England, Switzerland and Malta. These displays will be on the mezzanine of the Agriculture Building.

England will stress travel in its display which will feature models of the liners Queen Mary and Princess Elizabeth. Malta will show its laces, while Norway will concentrate on its many food products.

France and Switzerland are expected to exhibit their principal products and point up recreational facilities in the Swiss and French Alps.

Special Events On Fair Agenda

Exhibits of every type and variety will be shown at the San Mateo county fair and Floral Fiesta next month.

Already signed up for appearance at the Fiesta is the Great Dante, internationally known as the master showman of magic. With him will be the lovely Moi-Yo Miller and a company of 35 mystifiers.

Dr. Hartzell Ray, chairman of special events, reported rapidly increasing interest in the "Miss Orchid of 1949" contest. The winner will be the official queen of the fair.

The contest is open to all young ladies between the ages of 16 and 25 respectively, married or single. Contest blanks may be secured from any county newspaper or chamber of commerce office, or from the Fair and Fiesta office, box 232, San Mateo.

Another event of interest will be the Mutt Show, where youngsters may enter their pet dogs for judging. There will be a special day for every community in the county.

SPORT FISHING EXCELLENT

Sport fishing has been excellent recently in the waters off Los Angeles County, according to the National Automobile Club. Boats have been bringing in capacity loads of albacore, barracuda, white sea bass, and yellowtail.

NAVY WANTS WAVES

Young ladies between 20 and 31 years of age are now being accepted for the Navy Waves.

Navy experience opens new doors of opportunity, the recruiting service said. Waves may receive training in varied fields, such as: hospital technicians, tower control operators and air hostesses.

As a Wave, you may be assigned to duty at shore stations overseas, as well as at home. A Wave seaman earns $1,080 a year above living expenses.

Further information may be obtained at the navy recruiting station in Redwood City or by calling EM 8-1185.

Planning Expansion, Ford Purchases New New York Site

Purchase of a site near Buffalo, New York, for future expansion purposes was announced by the Ford Motor Co., this week.

The site, in the town of Hamburg, covers approximately 100 acres and is about a mile from the present Ford assembly plant.

Company officials said current studies are being made to determine possible use of the site for a pressed steel plant to make Ford passenger car stampings and sub-assemblies.

Ticklers By George

"Stop beefin'—in Russia they'd throw us in a labor battalion."

Pebbles Against the Rock

John Adams, second president of the United States, was the lawyer for the defense of the British soldiers arrested after the Boston Massacre, according to the Encyclopaedia Britannica.

Because it was losing $376,200 daily on railroad operations, the government of Argentina has contemplated tearing up 40 per cent of the trackage and replacing it with highways.

Farm and ranch marketings of meat animals in the United States in 1948 amounted to 22.82 billion pounds.

GIVES ROBINS THE BIRD—Every year Arthur Axx of Lakewood, O., has been plagued by birds, mostly robins, which nested in his cherry tree and pecked holes in his fruit crop. But this year Axx foiled the feathered creatures by bandaging the whole tree in tobacco cloth. Now, while the birds stare wistfully from nearby telephone wires, the Axx family is enjoying a cherry pie.

HIGHER S. F. CAB RATES APPROVED

The San Francisco Board of Supervisors this week approved an increase in taxicab fares to offset alleged losses by operating companies as a result of wage increases recently granted drivers.

The new rates include a 30-cent minimum charge and $1.50 maximum and represent a five-cent increase over the present minimum of 25-cents, and a 15 cent increase over the present maximum of $1.35.

The new fares will go into effect the latter part of August, after final passage by the Board and signing of the ordinance by the mayor. The Board also voted to hold a yearly review of all taxi and sedan rates each January.

OLD SPANISH DAYS FIESTA

Old Spanish Days Fiesta will be held at Santa Barbara August 3 through August 6, reports the National Automobile Club. At this annual fiesta, long time residents, newcomers, and visitors don the costumes of the period, enjoying the pageantry, and in general join in the spirit of the occasion.

The Sydney, Australia, Harbor Bridge is 160 feet wide and contains over 50,000 tons of steel.

The Old Well Spring at Bath, England, has discharged in 150 years enough solids to create an excavation six feet wide, three feet high, and nine miles long, yet its water seems perfectly clear.

The present rate of erosion is sufficient to reduce the level of the entire Mississippi river drainage basin (1¼ million square miles) one foot in 6,000 years, according to the Encyclopaedia Britannica.

COUNTY TAXES MAY BE LOWERED

Taxes may be lower in San Mateo county for the fiscal year of 1949-50.

But before this prediction can become a reality two conditions must prevail, Fred Beer, county controller, said. The fund balances for the 1948-49 year must remain at last year's level, as must the expected revenues.

The final budget for next year comes to $11,129,537. Of this, $3,400,271 is to be disbursed for old age and blind assistance from state funds under Proposition No. 4.

The basis for the bright prediction of lower taxes comes from a $25,000,000 rise in the county assessment rolls.

49th Guard Div. Ready For Camp

Members of the 49th Infantry division, California National Guard, will be heading for camp July 31.

The unit will go on a two week training course at Camp San Luis Obispo, Camp Cooke and Camp Hunter Liggett. The division is made up of men from central and northern California.

An integral part of the training period will be the movement of troop units from their home stations to camp. While the majority of division units will move by rail, some will be transported in their own unit vehicles.

Principal features of the two week encampment will be marksmanship and artillery field firing. In addition a training program dealing with air transportability will be inaugurated.

Major Gen. Curtis D. O'Sullivan will be camp commander during the division's encampment. He has set aside August 6 as Governor's Day. Relatives and friends of men in the division are invited to visit the camp on that day.

CANYON DE CHELLY

Canyon De Chelly, located in the Indian country of northern Arizona, is reported to contain more than 3000 prehistoric sites and 138 major ruins.

DIGGING INTO POTATO CROP—It's harvest time in the Kaw Valley of Kansas, the Sunflower State's potato belt. Above, a potato digger unearths the spuds on the farm of Emil Heck, near Lawrence, Kan. The potatoes are then taken to a modern cleaning and sorting plant before marketing.

FIGHTING TO SAVE CROPS—Truck farmer George Rasweiler, above, whose 52-acre farm on Long Island, N. Y., is hard-hit by lack of rain, turns to a portable irrigation system to sprinkle his cabbage patch. Limited to the use of ten sprinklers at one time by low water pressure, farmer Rasweiler jockeys them among his cabbage, beets, lettuce, spinach, corn and cucumbers.

VET DISABILITY PAY IN FORCE

Veterans having trouble with ailments or injuries connected with military service, can still receive government aid.

Laws and regulations place no time limit on applications for disability compensation, Floyd B. Granger, service officer, said. Granger declared that many vets have the mistaken belief that they have lost out on disability claims if they failed to file within a year after discharge.

The fact that a veteran has failed to file for disability compensation does not mean he may not do so now, or in the future. The VA is prepared to shoulder the expense of medical or dental treatment, hospital care or compensation for a disability that incurred in, or made worse by, a veteran's service in the armed forces.

TROUT ANGLERS HAVE LUCK ON LAKES

Trout anglers have been enjoying first-rate sport during the past week on the lakes in the vicinity of Wentworth Springs in El Dorado County, reports the National Automobile Club. They have taken excellent catches of eleven to thirteen inch rainbow trout from Loon Lake and a large number of mixed trout and some brown trout running up to eighteen inches from Spider Lake.

The Palace of the Legion of Honor in San Francisco marks the western terminus of the Lincoln Highway.

Alameda County, organized in 1853, borrowed territory from both Contra Costa and Santa Clara Counties.

NEGATIVE

One of the best habits the automobile driver can acquire is a negative habit—the habit of not taking a chance, says the California State Automobile Association. Before you act in traffic, be sure it is perfectly safe.

DEPRESS CLUTCH

Less strain is placed on the automobile starter if the clutch pedal is depressed when starting the engine. Disengaging the clutch allows the starter to turn the engine without also turning the transmission gears.

FELINE UNHAPPY—King, a star attraction at Palisades Amusement Park in New Jersey, shows no great joy at his birthday party, despite Ethel Purtle's attempt to cheer him up with a meat-filled cake decorated with hot-dog candles. King, you see, is 10 years old, and catty neighbors have remarked that he looks positively beastly. If this keeps up, he'll have to start lion about his age. All kitten aside, he's still a great performer. His favorite trick is riding a motorcycle around a wall.

Kept Vigil for Unknown Master

This little brindle-colored dog kept a long and lonely vigil beside the railroad tracks in Atlanta, Ga., presumably for the owner of a pair of man's shoes which the dog zealously guarded. A passerby, a Mr. Brogdon of Atlanta, finally lured the dog home by taking along the shoes as bait. The dog, nicknamed "Hobo," continued to watch over the empty shoes in his new master's house.

Veterans Weekly News Column

Disability provisions of the vets national service life insurance policy give him the utmost protection.

The policy provides for waiver of premiums on account of total disability, and on income paid the veteran while totally disabled.

Waiver of premiums on account of total disability is automatically provided in all types of NSLI, including low rate term insurance, ordinary life, 20 and 30-payment life, 20 year endowment and endowment at age 60 and 65.

Total disability is defined as any impairment of mind or body which continuously renders it impossible for the veteran to follow any substantially gainful occupation.

Waiver of premiums may be granted upon written application, after the vet has been totally disabled for six consecutive months.

The veteran who becomes totally disabled and makes application for waiver of premiums should continue to pay premiums regularly until he receives notice from VA of entitlement to waiver.

In order to provide an income should he become totally disabled, a veteran for a small additional premium may insert a total disability income provision into any type of G. I. insurance.

Veterans from California attending schools and colleges under the state educational assistance program numbered 3,660 last month.

The number of veterans who have participated in the program to date now totals 11,425.

Veteran population of the United States was computed by the VA as 18,915,000 on May 1, 1949. Of these, 15,143,000 served in World War II.

The nation's population of veterans and members of their families is expected to reach a peak of 60,000,000 in 1955, the VA reports.

Cotton is now California's leading agricultural crop.

Pioneer Park crowns the top of Telegraph Hill in San Francisco.

FIND SAFE PLACE

When forced by tire trouble or other emergency to stop on a busy highway, always pull well off the road, giving ample clearance for passing cars, advises the California State Automobile Association. It's better to keep going until you can find a safe place, even though you ruin a tire, than to risk an accident.

California produced only 450 short tons of copper in 1948.

Lode gold mines in Amador County have been worked to a vertical depth of over one mile below the surface.

DANGER BEYOND HEADLIGHT BEAM

Out beyond your headlight beam lies danger, points out the Public Safety Department of the National Automobile Club. When driving at night always drive at a speed that will permit you to come to a full stop within the distance ahead illuminated by your headlights. To drive at a speed greater than that is to take a chance on driving headlong into disaster, quite possibly headlong into death.

Hunters Allowed To Stalk Game With Bow & Arrow

California hunters may go after deer and other big game animals this season with practically any type of rifle they wish, and even bows and arrows, says Division of Fish and Game.

In the interests of conservation, the following arms and ammunition have been outlawed for the taking of deer, bear, antelope, and elk:

Shotguns using shot or slugs, pistols, rifles using rim-fire cartridges, or bullets with full metal jackets.

Muzzle-loaders, .22's, and foreign firearms are legal, as long as they do not violate the above restrictions. Only limitation for bow and arrow hunters afield during the special 10-day archery deer season is that arrowhead blades must be not less than 7-9 inch wide.

California's first 1949 archery deer hunting season begins one half hour before sunrise Monday, July 25, ending August 3, reports the Division of Fish and Game.

Bow and arrow hunters, equipped with archery hunting licenses and special deer tags, may take two bucks in the central and south coastal areas, except San Diego County, during the 10-day season.

The second 10-day archery session begins September 3 in the balance of the State, including San Diego County.

No archery hunting is permitted during the regular deer seasons, which open three days following the close of bow and arrow periods in each section. Arrowhead blades must be not less than 7-8 inch wide.

A new refinement in fish stories has been reported to the Division of Fish and Game by a surprised angler.

In returning one of the dorsal fin tags which have been placed on many striped bass by the Bureau of Fish Conservation, Gordon F. Tye told this story:

While trolling in Disappointment Slough, west of Stockton, he felt a heavy jolt on his line. The jolt soon developed into a continuous battle between angler and underwater adversary.

Winning the decision, Tye hauled up an 18-pound striped bass and found the answer to the unusual strike. He had snagged the fish solely by the tag, leaving a feather lure untouched farther down the line.

AUTRY TO APPEAR IN BENEFIT SHOW

Gene Autry fans will have an opportunity to see their favorite cowhand, and at the same time contribute toward a $750,000 boys' haven next week.

The noted cowboy will bring his Madison Square Garden rodeo to the Cow Palace for five performances from July 29 through July 31. Money from the show will go into the San Francisco Optimist club's building fund.

According to club officials, a 100 acre foundation in the bay region is planned. This will be a site for a school, gymnasium and athletic fields, agricultural facilities, living accommodations and shops. Construction is scheduled to begin in 1950.

When Autry appears he will have with him some of the outstanding rodeo performers. Also on hand will be cowboy and cowgirl competitive champions in roping, bulldozing, riding and other events. It will be the star's first San Francisco appearance.

Magazine Salesman Not From Boys' Town

Magazine solicitors identifying themselves with Father Flanagan's Boys' Town are using the name of the town to promote their own ends.

Father Nicholas H. Wegner, director of Boys' Town, said the community for homeless boys has "no authorized representatives selling book or magazine subscriptions."

Any solicitors using the name of Boys' Town to sell magazines should be reported to the Daly City police department. This will give police an opportunity to investigate and stop this unauthorized practice.

Druids To Hold Whist At Monday Meeting

Following the regular meeting of the Green Valley Circle No. 73 Monday night, a whist game will be held.

The announcement of the game came today with a report on last week's meeting. That meeting was held July 11 with Arch Druidess Antonette Orso presiding.

A reception for delegates who attended the Druids' annual convention in Ukiah was also held. The members honored at this occasion were: Deputy Grand Arch Druidess Josephine Ghilarducci, Mary Vallerga, Josephine Macchi, Marie Callori, Connie Castelli, and Ida Biancalana.

Responsible for the evening were Chairman Josephine Stagnaro and her committee.

DON'T DAZZLE DRIVER

When driving at night, it's a wise practice to depress your headlights if a car you are following is within range of your lights. Glare from your headlights in the rear view mirror of the driver ahead can dazzle him and dangerously reduce his vision.

The Louisiana Purchase, in 1803, added the area between the Mississippi River and the Rocky Mountains, plus the island on which New Orleans stands, to the United States.

BIBLE COMMENT
FOR JULY

Israel's Greatest Song Book Is Book of Psalms

ISRAEL'S great song book is, of course, the Book of the Psalms.

It is not the form or structure of the Psalms that is of chief importance; it is their contents and message. But it may help to add an appreciation and understanding of them and their rich beauty if the nature of Hebrew poetry is realized.

Many people associate poetry with the idea of rhyme, or in so-called "prose poems," or blank verse, with rhythm. There is rhythm, often rich cadences, in the poetry of the Psalms, but no rhyme. Instead, the structure of Hebrew poetry consists in some form of parallel statement, in similarity, contrast, or in some extension or amplification of the thought.

A few examples will make this plain. Similar parallel statements and a parallelism in contrast are alike exemplified in the very first Psalm:

"Blessed is the man that walketh not in the counsel of the ungodly,
Nor standeth in the way of sinners,
Nor sitteth in the seat of the scornful.
But his delight is in the law of the Lord."

A similar example is in Psalm 5:
"Give ear to my words, O Lord;
Consider my meditation."

In the Psalms is a strong sense of life and movement, typical of the history of Israel and the religious life. Pilgrimage was of the very essence of that history—the pilgrimage of Abraham to Canaan, the descent into Egypt and the return through the wilderness, the Exile to Babylon and the return to the homeland.

And "going up" was of the very essence of worship—ascending to "the hill of the Lord," going to Jerusalem for the religious festivals. The Psalms are poems of religion on the march.

The civil settlement of Sonoma commenced in 1835.

"THANKS FOR THE AIRLIFT"—Berlin's Lord Mayor Ernst Reuter says it by dedicating the "Platz der Luftbrucke" ("Square of the Airlift") in the German city. It was by way of commemoration of the Allied air operations which pulled Berliners through the long siege of the Russian blockade.

STRIPED BASS FISHING IS FAIR

Striped bass fishing has been fair during the past week along the Mare Island Straits in Napa County. A good number of fish have been taken.

Short Cut to Variety

By Betty Barclay

ANYTHING that will do a double job for us during the summer months is pretty apt to have a strong appeal for the homemaker.

Well, here's a short-cut to a grand dessert that can be varied almost endlessly. Double-acting baking powder gives it the first advantage — it gets you off to a good start in making this light-textured sponge cake.

When the cakes are finished, you have the base for a nice variety of desserts — just serve the squares with a different topping each time. In addition to those suggestions in the recipe, you might give a thought to how good the sponge squares would be served a la mode plus a velvety chocolate sauce. Deluxe, don't you think?

Sponge Squares with Toppings
(3 eggs)

1 cup sifted cake flour; 1 teaspoon double-acting baking powder; ¼ teaspoon salt; 3 eggs; 1 cup sugar; 2 teaspoons lemon juice; 6 tablespoons hot milk.

Sift flour once, measure, add baking powder and salt, and sift together three times. Beat eggs with rotary egg beater until very thick and light (about 5 minutes). Add sugar gradually, beating constantly. Add lemon juice. Fold in flour, a small amount at a time. Add hot milk and stir quickly until thoroughly blended. Turn at once into two 8 x 8 x 2-inch pans which have been lined on bottoms with paper. Bake in moderate oven (375° F.) 20 minutes, or until done. Remove from oven, invert pans on rack, and let stand 1 hour, or until cakes are cool. Cut in squares and serve with Fresh Berry Topping, Raspberry Jam Topping, or Apricot Topping.

IMPROMPTU DRIVING LESSON ENDS WITH A SMALL BANG

An impromptu driving lesson by a Daly City youth came to an abrupt halt last Thursday against the side of a house.

Taking the self-taught lesson was 14-year-old Thomas Toohey, son of Mrs. Thomas Toohey, 57 Shakespeare street. The boy had been sent out to remove a pair of gloves from the car belonging to the son of Mrs. Dorothy Cross, 6276 Mission street.

Evidently the urge to drive, rather than retrieve overtook the youth. Putting the car in reverse he turned over the motor. That was the end of the lesson. Or at least it ended a moment later against the side of a house belonging to D. Haskins, 25 Bepler street.

Despite the unfortunate driving lesson, no damage was done to either home or car, police report.

The California Academy of Sciences at San Francisco is the oldest scientific institution in the West.

Diaper Deb

The new Diaper Queen, 1-year-old Coleen Kelly, tips her crown to the judges after she won the title from some 2000 other contestants in the three-cornered-set contest. She's a New York City baby.

ACTIVITY CALENDAR

Clubs and other organizations are asked to contact the Daly City Record to inform them of any change in activities for the summer months in order that our activities calendar may be kept up to date.

Friday, July 22

9:30 a.m.— Meeting, Intermediate Troop No. 3, 101 Parkview avenue.

Try Combinations Of Fruits And Berries For Distinctive Flavor And Economy

By Frances Barton

ONE fruit is good, but several are better! At least that's the opinion of a number of good cooks who have tried combinations of fruits for jam and jelly making. Not only are these combinations satisfying for their distinctive and intriguing flavors, but they reduce the load on the food budget by allowing more of a less expensive fruit or berry to extend a smaller amount of a more expensive one. Simply use the fruits you prefer in any combination you choose like the tested recipe below.

Bottled or powdered fruit pectins do the trick. Using pectins, the homemaker need not bother at all about the jellying properties of her fruits. They take the guesswork out of jelly and jam making and prove their economy, too, by producing a greater yield of the finished product. Your family will be delighted with this one:

Currant and Gooseberry Jam

5 cups prepared fruit
7 cups sugar
1 box powdered fruit pectin

To prepare the fruit. Stem about 1 quart fully ripe currants and crush thoroughly. (If desired, sieve pulp to remove some of the seeds.) Crush thoroughly or grind about 1 quart fully ripe gooseberries. Combine fruits and measure 5 cups into a very large saucepan.

To make the jam. Measure sugar and set aside. Place saucepan holding fruit over high heat. Add powdered fruit pectin and stir until mixture comes to a hard boil. At once stir in sugar. Bring to a full rolling boil and boil hard 1 minute, stirring constantly. Remove from heat, skim, ladle quickly into glasses. Paraffin at once. Makes about 12 six-ounce glasses.

An important function of gypsum in agriculture is the conditioning of alkali soils.

Preparation of mineral pigments for the market is by simple washing, dehydration and pulverizing.

SMALL MOUTH BASS LANDED

Some excellent catches of small mouth bass have been landed the past few days along the Kings River in Fresno County.

Approximately 41 per cent of the total land in the United States can grow nothing but hay, grass and other herbage unfit for human consumption.
